Too often, unused prescription drugs find their way into the wrong hands. That's dangerous and often tragic. That's why it is great to see thousands of folks from across the country clean out their medicine cabinets and turn in - safely and anonymously - a record amount of prescription drugs.

If you have old or unused prescription or over-the-counter drugs, here is your chance to dispose of the drugs the RIGHT way. Never throw drugs into the toilet/sink where they can contaminate water sources and never into trash where they can come into the hands of abusers.

The best way to dispose of drugs is to visit us at the Shenandoah Police Department on Saturday, April 27, from 10 am -2 pm.
